# 56th Huntington Harbour Boat Parade

## THANK YOU

To our residents for decorating their homes for the holidays.

## WHY DO WE THANK THEM

Because right after the boat parade we present the Cruise of Lights® ... 45 minute narrated boat tours to see all those spectacular decorations. Funds raised go to support the music programs for all Orange County school children from K-12 - Public and Private.

## INVITATION TO PARTICIPATE

Your boat will be viewed by thousands waving from decks, docks, balconies, bridges, little beaches and everywhere people can watch! We are also asking for boat participation from our Fountain Valley and Huntington Beach business friends!

Put your company banner and your creative interpretation of the theme on your boat, and have the most magical weekend imaginable.
