- Want to reconnect with some of your Philharmonic Society of Orange County friends AND have some card making fun? Everyone needs a card these days!
- Join the Beautiful Autumn stamp class via Zoom on Wednesday, September 23rd at 10am!
- Please RSVP to Sandi no later than September 9th to order your Beautiful Autumn card class. Send a check made out to Sandi Campbell-McClain for \$70. The class kit will be available for curbside pickup at her house in San Juan Capistrano (31891 Paseo Terraza) or it can be mailed to you for an additional \$8.
- You will receive a stamp set, two full size stamp pads, half of a pack of specialty papers, a pack of cards and envelopes, half of a pack of gold dots and 8 precut and scored card bases and envelopes. These cards will provide a great way to express love and gratitude!
- You will need a device to run Zoom and you will need to know how to see the Gallery view on your device.
- Sandi will donate 15% of your purchases to The Committees. You will have a lot of fun “seeing” your friends AND making these cards together.
- Please phone or text Sandi at (949) 291-3426 or email her at sandi4stamps@yahoo.com
