We are very excited to offer this all-Committees fundraiser in helping to increase the finances necessary to continue our Philharmonic Youth Music Education Programs! Considering our current health crisis, Committee meetings have been canceled and getting this information to all of you is imperative for its successful outcome.

Come join us “on the Green” for a fun day of golf—while helping us raise these much-needed funds! Beginners and experienced golfers; those who play several times a week and those who haven’t golfed in months; young and old; ladies and gentlemen—all are welcome! This will be a “scramble” tournament, so you don’t have to be a good golfer. It’s about having a good time! Not a golfer? No problem! There will be opportunities to be a sponsor or make donations.

We are honored to have as our Golf Classic Co-Chairs Bobbitt and Bill Williams as well as Joanne Fernbach and Lloyd Stockwell. We have contracted with a consulting firm who has much experience with golf tournaments in assisting and ensuring that all runs smoothly and maximizes our profits. With added support of sponsors, donations, and involvement from all Committee members, we can’t help but succeed!

If golf were a sport that included cheerleaders, we hope that all our volunteers would be members of that squad! Let’s make this a “hole in one” for our Youth Programs! Thank you for your help and participation!

Our Fundraising Shortfall

This has been a year of surprises while we adapt and refocus as the result of COVID-19 and AB5. They have had an overwhelming impact on our youth programs and our fundraising efforts for both the 2019/20 and 2020/21 years. Committee meetings, programs, and Philharmonic concerts came to a halt in mid-March as we followed social distancing mandates. We may even have dodged a bullet if we’d had a House of Design in the works!

The financial impact of our diminished fundraising has created a serious shortfall of $250,000. With the exception of our virtual peer-to-peer MUSICMATTERS campaign, all of our spring fundraisers have been postponed. We all hope that those postponements will result in summer events.

- You can help offset the shortfall by participating in the MUSICMATTERS campaign. It is our only way to raise funds now. Sign on as a member fundraiser and become familiar with it by personalizing your page. Then reach out to your circle of friends and family when the time is right. All donations, no matter how small or large, are needed.
- Support any rescheduled Committee fundraisers as they land on a date.
- Put a foursome together to support the Committee’s September “Score on a High Note” Golf Classic.

We can all make a difference in what we are able to provide Orange County students next year. Remember that all donations are tax deductible.

Special thanks for your continued commitment, generosity, and support of the Philharmonic Society and The Committees. Continue to stay safe, connected and hopeful!
What do you do when already facing a shortfall to fund next year’s youth music education programs—and all of the spring fundraisers are canceled or postponed indefinitely due to a pandemic? We persevere to join together to meet the challenge.

MUSICMATTERS is a Peer-to-Peer (P2P) campaign to raise much-needed donations to fund next year’s youth music education programs. It enables all 700 of our Committees members – as member fundraisers – to draw support from friends, family, and our communities through emails, text, and social media. You can easily reach out by using your mobile phone, tablet, or computer.

The Committees were especially fortunate to have put in motion this “crowd funding” campaign that provides an easy means to raise funds and doesn’t depend alone on members’ generosity.

This is The Committees only source of revenue available this spring and summer to fund next year’s programs. Any amount, small or large, is appreciated—and needed. Donations are 100% tax deductible.

As an additional incentive to involve every member, Committee/Group teams can earn 10% Musical Reinvestment for donations earned over their initial $1000 commitment to the campaign.

Share your passion for music. To make this fundraising campaign as exciting and successful as possible, we need enthusiastic, committed volunteer fundraisers. Help us spread the word about the MUSICMATTERS campaign to provide free youth music education programs to elementary through high school students in Orange County.

Stick your toe in the water and discover how easy it is to get started as a MUSICMATTERS fundraiser! Go to: http://philharmonicsociety.org/volunteer/MUSICMATTERS/ to watch a “quick start” video and follow step-by-step directions.

Just do it! Practice by making a donation to your own Fundraiser page!

This year was never intended to be “business as usual.” Everyone was encouraged to reimagine and color outside the lines, but we couldn’t have predicted how UNUSUAL this year would be! We are adapting to “a new normal.”

We’ve faced some obstacles this year. AB5 took effect January 1, 2020, and suspended Musicians on Campus, Ensembles on Tour, and a second grade pilot. The global pandemic halted any remaining programs, meetings, fundraisers, and concerts while we shelter-in-place. Our challenge now as we face a considerable shortfall for 2020-21 is to make MUSICMATTERS a successful campaign and support rescheduled fundraisers.

But there are silver linings! We are reevaluating programs and saving expenses in a year of shortfalls. Coronavirus expanded our everyday vocabulary: pandemic, social distancing, safer at home, and flattening the curve. Our commutes were eliminated and virtual meetings were held with conference calls, Zoom video, and other technologies. We’re staying connected!

Our successes have overshadowed the challenges. We are refocusing and can be proud of our many accomplishments. Our programs’ impact has more importance than the numbers we reach.

- Music Mobile traveled the county.
- Segerstrom Concert Hall was filled to capacity with fifth graders.
- California Journeys celebrated history and music.
- Shanghai Chinese Orchestra offered a true world culture concert for Grade 6.
- The High School Orchestra Festival was a resounding success.
- The Philharmonic Society generously promoted Tix for Teens with plentiful concert tickets.
- Strike Up the Band awarded $50,000 to eight elementary, middle, and high schools.
- Creative and successful fundraisers were held to benefit our music programs.

“Music is the strongest form of magic.” Thanks to our talented volunteers, we created this magic through your commitment and generosity. Your active participation in the P2P MUSICMATTERS campaign is vital and will go far to ensure we’re able to create more magic next year. Support our postponed or canceled fundraisers and spread the word about the September Golf Classic. You are our “Super Heroes” and I thank you for all you do!

It has been an honor and pleasure to be your President of The Committees. I’ve enjoyed working alongside you, visiting your Committees/Groups, and attending fundraisers. I’ll cherish this year and look forward to seeing you at next year’s programs, concerts and fundraisers! In the meantime, stay connected and fill your days with beautiful music!
It’s a Family Affair  
by Marlene Nielsen

Mary Busche, a member and past president of both Islander and Admiralty Groups, presented a $1,000 check to Ocean View High School at their Winter Music Concert. It was a special evening for the Busche family; her grandson Ben Busche was performing at the concert with a saxophone donated by the Huntington Harbour Philharmonic Committee. At the same time, her other grandson Jack Busche was working with a friend at the Huntington Harbour Mall loading buses for our Cruise of Lights®. It was a wonderful convergence of events; one grandson was helping raise money while the other grandson, who is in the OVHS marching band, was benefiting from the money earned. The Huntington Harbour Philharmonic is one big extended family and we all work together so many can enjoy the benefits of music.

“A “Busman’s Holiday” for Committee Volunteers  
by Sandi Campbell-McClain

After a fun day of ushering at the Philharmonic Youth Concert for Fifth Grade at the concert hall on February 20th, members of the Capistrano Committee, along with two Saddleback Committee members, walked across the plaza to enjoy a tour of the large red brick Segerstrom Center for the Arts Segerstrom Hall. Two terrific Segerstrom docents, Cathy and Pat, showed us around and provided a lot of detail on the hall and its various spaces. Although we all had seen performances in the big hall, none of us had gotten the backstage pass before!

If you are interested in having a tour, contact Sarah at ssierszyn@SCFTA.org. You and your members will certainly enjoy it! We really did!!!

Check Presentation at  
La Paz Intermediate School  
by Beth Ruegger

On December 18th at the Holiday Concert, Saddleback members presented a $1,500 check to Dan Robbins, Director of the Band and Orchestra programs. The front row was reserved for us where we had a great view of performances by the Jazz and Intermediate bands and the String Orchestra. The check was presented by Phyllis Berenbeim, with support from Elizabeth Mead, Cathy Kadison, Jean Felder, Yvonne Tankersley, Kathy Kemmerle and Beth Ruegger. The students, dressed in holiday attire, performed admirably while parents and friends applauded.

Our donation was very much appreciated. They were quite proud to show us the new set of drums that we made possible. For an intermediate school La Paz has a great music program that includes three different bands. We learned that many students use their lunch hours to practice or be mentored by more experienced students. Parents, teachers, staff members and some students came by to personally thank us. It was very gratifying to see the result of all our hard work.

HHPC Presents $18,900 in Grants to Local Schools
by Lara Anderson

In addition to supporting the Philharmonic music programs for children across Orange County, the fundraising efforts of the Huntington Harbour Philharmonic Committee (HHPC) throughout the year also enable the organization to reinvest 10% of their significant fundraising into community schools with the reinvestment grants.

HHPC encompasses six volunteer Groups. Their major fundraiser is the annual Cruise of Lights® event which takes people on narrated cruises around Huntington Harbour to view homes with elaborate holiday light displays. In October, the HHPC Holiday Boutique at the Huntington Harbour Mall is a very popular shopping extravaganza featuring over 30 booths with unique and handmade items. Attic Treasures event will be scheduled in the fall.

Carol Ventura, HHPC Parliamentarian/Music Reinvestment Chair, along with HHPC Chair Patty Reilly, presented checks totaling $18,900 to local school representatives at the December 17, 2019, Cruise of Lights® “Committees Night” dinner at the Huntington Harbour Yacht Club.

The funds will be used to enrich music education; from purchasing instruments and sheet music, to a bucket drumming lunch program at Agnes Smith Elementary School, band programs, recorder programs, a new piano for Harbour View Elementary, audio, sound and lighting equipment, uniforms, music appreciation, and even special needs programs. The dedicated teachers and administrators receiving grants are committed to keeping music alive in schools and are so grateful for the support.

Huntington Beach High School Instrumental Music/Academy of the Performing Arts Teacher Greg Gilboe says they plan to use their grant to purchase much-needed new keyboards. “It means so much to see all the support,” he shared.

Every fall, school administrators are sent the single page grant application worksheet and asked to share it with their music instructors. To qualify for a grant, the music program must be described and how the funds would be used. A panel of volunteers from the HHPC meets to read through all the grant applications. It determines which applicants will receive funding and allocates the grant amounts based on the amount of money available that year.

Greg Gilboe, Huntington Beach High School’s Instrumental Music/Academy of the Performing Arts Teacher, receives a HHPC check from Patty Reilly and Carol Ventura

The annual Cruise of Lights®, now in its 58th year, brings thousands of people to view holiday lights in Huntington Harbour. Hundreds of volunteers from the Huntington Harbour Philharmonic Committee along with their family, friends, and neighbors, escort ticket holders on and off the buses, docks, and boats, rain or shine, over the eight nights of the event.

Huntington Harbour Icon, Mim Strickler
by Lara Anderson

Mim Strickler, a 50-year HHPC Admiralty Group member, passed away late last year, doing one of the things she loved best—sailing on a cruise with friends and family. Mim was an icon throughout the Huntington Harbour, known for her tireless volunteerism with many organizations.

She was also known for having a bugle in her purse, which she used frequently to let her presence be known!

Mim volunteered at the HHPC Holiday Boutique shortly before her final cruise; she was always there to lend a hand at our fundraisers. Hundreds attended her Celebration of Life at the Harbour Yacht Club on January 25, filling it to capacity. She will be greatly missed by all who knew her—and certainly never forgotten.

Tomi Baker, Carol Mouncedji, and Michele Pribble enjoyed La Casa’s theater fundraiser at the Modjeska Playhouse in Lake Forest.
Kari Kerr, Bobbitt Williams and Deirdre McTaggart welcomed prospective members.

**Big Canyon Spyglass Hill 2019 Membership Tea**

_by Margaret Clark_

It all began with a picturesque invitation displaying an English china teapot. *Come to the beautiful home of Bobbitt Williams and bring a guest with the potential to become an active member of the Big Canyon Spyglass Hill Philharmonic Committee!*

Their 46th annual membership tea was a rousing success. The gathering took place on Bobbitt’s aptly decorated patio with ladies sipping drinks and lauding the merits of being an active member. Chairman Dierdre McTaggart provided words of inspiration. The ladies left Pelican Point with smiles on their faces and the membership count increased—both indicators that the event was a success. Sharon Campbell, Susan De Santis, Mary Saucedo, Lucy Sun and Billie Weiss joined the ranks.

_Note from editor: This year’s social distancing upended plans for many Committees’ spring membership teas, but they will reach out again in creative ways—as Big Canyon Spyglass Hill did in 2019._

The Committees Board of Directors have learned to communicate with using Zoom meetings.

**A Lifetime of Helping Children**

_by Ida Staples_

Elaine Linhoff, 90 years young, has been a Balboa Committee member since 1973, more than half of her fascinating life. Elaine was born in El Centro, California, during the Great Depression and was raised in the Imperial Valley working on her family’s ranch. After being named “Baby Doll of the Desert” in 1935, Elaine helped her family to farm 400 acres of pecans, cantaloupes, Thompson seedless grapes, and alfalfa.

She graduated in 1951 from the University of California Santa Barbara with a teaching degree. Over the years, her travels led her to be able to influence lives of children and youth in various communities: from 90 first graders living in farm labor camps in Salinas after having escaped from the Oklahoma dust bowl, to children of U.S. Service families in Stuttgart, Germany, and back to California where she continued to teach until she retired in 2012.

After returning to Orange County, some friends invited Elaine to room with them in a house on little Balboa Island. Before a year had passed, romances bloomed and she and her sister had a double wedding. Elaine married her husband Ralph and settled into the house on the Balboa Peninsula—where she still lives.

Elaine has been very active in city and county government and is a founding member of the Balboa Peninsula’s Certified Emergency Response Team (CERT) where she is a certified Ham radio operator, a member of Stop Polluting our Newport (SPON), and is still active with the Balboa Peninsula Point Association where she helped save the beloved Wedge surfing spot on the peninsula. She was doing all this while raising two children and teaching numerous others. Elaine is an avid sailor, loves fishing, snow skiing, traveling, bicycling, and fun! She still takes her sabot out for a spin in the Newport Harbor!

Elaine’s 47 years of leadership and volunteer work as part of the Balboa Committee has helped provide music education opportunities to thousands of Orange County children. Elaine has held the position of Director of Youth Programs for the past ten years, coordinating and scheduling docents to work with children at concerts. You can find Elaine—always with a smile—riding her bicycle to their monthly meetings as well as still being very involved in the community on the Point. We should all follow Elaine’s mantra to “Keep moving and count your blessings every day!”—with a smile, of course!

Strike Up the Band Grant Program

by Jan Lawrence

On Wednesday, February 26, 2020, students of the Santa Ana High School Chamber Orchestra class were presented new formal concert attire, funded through the Philharmonic Society’s Strike Up the Band school grant program. The purpose of the program is to foster the appreciation of music within the community’s youth and create meaningful impact on school music programs through the granting of musical instruments and teaching materials. It also aims to enhance and grow existing music programs and to provide for the creation of new music programs.

The Santa Ana High School Chamber Orchestra’s application for concert attire funding was slightly different from the musical goods that Strike Up the Band normally provides.

Their grant application requested, instead of instruments, that the Philharmonic program would fund the students’ confidence—by providing them the opportunity to dress the part when performing, rather than “borrow something black.”

Their sincerity and sentiment moved the grant committee. Santa Ana High School was awarded a $10,000 grant to purchase concert attire and shoes for their entire orchestra. The Santa Ana High School Chamber Orchestra gave their first performance in full concert attire at the recent Philharmonic Society’s High School Orchestra Festival at the Renée and Henry Segerstrom Concert Hall on Saturday, March 7, 2020.

Since 2013, the Strike Up the Band grant program has been made possible by funds raised at the Philharmonic Society’s spring Gala as well as additional community funding. Through the years, it has provided more than $250,000 in musical instruments and materials to students and schools.

A Successful Orchestra Festival

by Marlene Nielsen

On Saturday, March 7, 2020, the seventh Philharmonic Invitational High School Orchestra Festival was center stage with over 1,000 talented musicians and their directors. Record ticket sales for all 17 schools was 1,470, with Beckman, Capistrano Valley, and San Juan Hills selling over 200 tickets each! Thank you to the more than 65 Committees volunteers for their enthusiasm and hard work, plus adjudicators Ulli Reiner and Johannes Müller Stosch for their invaluable feedback, to make it the most successful orchestra festival thus far. A special shout out of appreciation goes to Society Board member John Benecke for being our emcee for the 10-hour festival.

After the event, Oxford Academy Music Director Deanna Milner shared, “I love this event. My students tell the younger kids they want to be in the top group so they can do the festival. My kids work hard, knowing this festival is coming. And I, personally, have a great time. All of the volunteers are so kind. An event like this is a lot of work. Please know how much it is appreciated by kids and adults alike!”

Comments compiled by Ann Ludwig

“This performance was amazing! I was able to have family bonding time with my father. I also saw Midori and watched as the music flowed through her. This is an experience I will cherish and remember for the rest of my life.”

“First off, I would like to thank you guys for allowing us to watch the magnificent performance yesterday. The music was spectacular and relaxing. I honestly enjoyed every single piece that was played at the event. That was my first time at an event like that and you made me want to attend more in the future; the experience was awesome. I am glad I was able to experience it. Thank you.”
