About the Book: *The Paris Daughter* is a gripping historical novel about two mothers who must make unthinkable choices in the face of the 1939 Nazi occupation of Paris. Young mothers Elise and Juliette become fast friends the day they meet. Though there is a shadow of war creeping across Europe, neither woman suspects that their lives are about to irrevocably change. *The Paris Daughter* is a sweeping celebration of resilience, motherhood, and love. Kristin will also share the HOW and WHY in crafting her stories, as well as how she determines her creative WHAT.
